## SECOND SUNDAY AFTER PENTECOST

### WHAT'S THE BUZZ

#### CALL COMMITTEE UPDATE

I'm thrilled to inform you that we have a complete Call Committee once again. Ted Sudol has agreed to be the Chair, and Sue Totty will fill the other slot. We're now back up to six members and ready to go! I've been in touch with the Bishop's office to let them know we're ready to resume our call. Muhlenberg is on an amazing path. I ask us all to be prayerful about our task and open to the Spirit working among us. Council remains a supportive partner in our call and the work that needs to be done. Council agreed on the following mission statement for our work ahead:

*The Call Committee is to search for a Lead/Senior Pastor who meets the needs of Muhlenberg Lutheran Church in Word and Sacrament as well as Pastoral Leadership, bearing in mind the skills and qualifications of our Ministry Site Profile while remaining open to the possibility that the Spirit might reveal new insights and possibilities.*

Welcome Ted and Sue, and thanks to Mark Kipps, Meg Wightman, Oris Griffin and Katie Rinker for their continued work and service to the congregation.

*Tim Peifer, Congregation Council President*

### ANNOUNCING A SUMMER WORSHIP SCHEDULE

The Church Council has set a new summer worship schedule for **July 1 - September 2**. We will have **two worship services, 8:45 and 10:30 am**.

Fellowship will be held in the Gathering Area between services. Christian Formation will be from 9:00-10:00 am.

- We will **worship with members we have not seen for a while or even know.**
- We will be able to **engage in conversation during a time of fellowship** for young and old alike.

This change assumes the goodwill of all worshipers and will be a positive challenge for our congregation. Our usual pattern of services will resume September 9.

## MUHLENBERG NEWS

### CREATION CARE TIP

Creation Care offers a simple tip that will help you protect God's earth. Contact Ramona Sanders for more information: 433-1165 or [rsanders9@verizon.net](mailto:rsanders9@verizon.net).

Replace your plastic shower curtain liner. Most shower curtain liners are made from polyvinyl chloride (PVC), a material that emits harmful gases that can cause cancer and diabetes. You may be breathing in toxins every time you take a shower. Choose a nylon shower curtain instead. Nylon is waterproof and contains no PVC. It is also washable so when soap scum builds up, just toss it in the washing machine.

### VIDEO COMMUNICATION PROJECT

This past semester several students worked with Muhlenberg on communication projects including an evangelism video. Check it out on our YouTube page and website or use this shortened URL: <https://goo.gl/4wXj5W>
