MUHLENBERG NEWS

EQUIPPING THE SAINTS: MUHLENBERG'S STRATEGIC PLAN

Congregation Council has been thoughtfully and prayerfully developing a Strategic Plan over the past year and a half. While COVID slowed the process down, it also gave church leadership the opportunity to further consider how we are called to be the church in a changing world. The whole congregation is invited and encouraged to engage with the first draft of the plan, which is available [HERE](#). Printed copies are available from the Connection Box.

Sundays, **April 18—May 23**, our worship will focus on a sermon series from Acts, paired with initiatives from our strategic plan. Together, we'll consider the work of the Holy Spirit in the early church and the work of the Holy Spirit in our congregation today. Following worship, all are welcome to join in a casual after-church coffee hour chat about the weekly theme via the Sunday morning [ZOOM](#) link. You may also join by phone: dial 301-715-8592 (Meeting ID: 847 3141 6878.)

Wednesdays, April 21—May 26 (note new end date), all who are a part of our Muhlenberg community (whether you're "officially" a member or not) are invited to conversation at **7:00 pm** via [ZOOM](#) or by phone: dial 301-715-8592 (Meeting ID: 812 2682 5160 and Passcode: 212430).

Each week we will focus on a different goal of the Strategic Plan with opportunity for questions, brainstorming, and big dreaming about our life together.

Each week we will focus on a different goal of the Strategic Plan with opportunity for questions, brainstorming, and big dreaming about our life together. The remaining sessions are:

- April 28 Become a Congregation of Storytellers
- May 5 Engage All Ages in Learning
- May 12 Know Our Neighbors, and Serve Together With Them
- May 19 Center Our Community Life Together Around Worship
- May 26 Be Good Stewards of the Gifts We Have Been Given

Expect these conversations to be dynamic and energizing! Plan to attend one, or attend all. This is OUR work together as a faith community!

GATHERING TOGETHER UPDATE

The Gathering Together Task Force is hard at work, putting together plans for a return to in-person worship! As the rate of infection continues to decrease, and the rate of vaccination increases, we will begin to offer opportunities for both indoor and outdoor worship.

Starting May 23, Pentecost Sunday, our 8:30 am Zoom worship will become a hybrid service. You can worship online via Zoom, or attend the service in person! This service of Holy Communion will require precautions such as mask-wearing, assigned seating, and no singing. It is strongly encouraged (but not required) that those attending be fully vaccinated.

NEW DATE: Also starting on May 23, we will begin an outdoor 10:00 am service. More details are coming soon. And our 11:00 am Facebook/YouTube worship isn't going anywhere—online worship will continue even as we begin to provide in-person gatherings.

In-person baptisms, weddings, and funerals for up to 25 guests (masked and distanced) will resume, as well. Contact either of the pastors if you've been waiting to schedule a baptism!

While we are excited to look ahead to these opportunities to gather, we will also be keeping a close eye on local COVID rates and the impact of variants, and adjust plans as needed.

The team met again this week so look for an update coming soon. Feel free to contact any of the members if you'd like to be involved with helping in-person worship happen, or if you have any additional feedback. Members of the team are Neil Alexander, Erin Burke, Cynthia Page, Kevin Stees, Crystl Whitmire, Greta Willis, Pastor Lauren and Pastor Alex.

CREATION CARE TIP

Creation Care offers a simple tip that will help you protect God's earth. Contact Ramona Sanders for more information: (rsanders97@verizon.net or 433-1165).

Here are some tips and tricks for living more sustainably and to help raise environmentally conscious children:

- Try to teach the little things. Teach children about the classic "3 Rs": reduce, reuse, recycle.
- Talk about whether we "need" something when purchasing items.
- Talk to your children a lot about the environment, what harms it and what we can do as a family to help.

Other environmentally conscious choices for you and your family:

- Buy a smaller home on a good-sized piece of property and work to use the land to become more self-sustaining.
- Eliminate food waste by feeding a lot of it to the chickens, and put the remainder into the compost bin.

Start with small steps. Set small, attainable goals. A little change is better than no change.

HABITAT FAITH BUILD UPDATE

The Habitat Faith Build duplex at 658 and 660 Virginia Ave. (Route 42) continues to move along. A huge thank you to Muhlenberg member Neil Alexander for helping with the electrical rough in. Neil was a valued member of the team that did this work. Thank you, Neil!

Several of you have asked if we have reached our funding goal for this Faith Build. Our goal was \$10,000 and **we are currently at \$9,315**, so we are very close. If you would like to contribute to our Faith Build, please make your check payable to Muhlenberg Lutheran Church and note *Habitat Faith Build* in the memo line.

Upcoming work opportunities include electrical finishing and yard seeding at the end of May and flooring at the beginning of June. If you have not already spoken to me about these volunteer opportunities and wish to help, please let me know by call, text, or email.

PEACE POLE

Last Sunday our Confirmation youth put the finishing touches on the Peace Pole to be placed at the Habitat Faith Build duplex. Our youth created a different design for each side of the pole and the words, "May Peace Prevail On Earth" was written in 4 different languages; English, Spanish, French, and Tigrinya. French and Tigrinya are the native languages of our Habitat partner families that will live at 660 and 658 Virginia Avenue. The Peace Pole will be placed in front of their homes.
